Section A

The course placements in this section are the results of the combined efforts of teachers and counselors from Creek Wood High school and your middle school. These placements have been made by considering (1) your performance on standardized tests you have taken during middle school, (2) your work in your current classes, and (3) additional factors your teachers and counselors have identified.

ELECTIVE / ALTERNATE COURSE REQUESTS (FRESHMEN)

Section C

The courses listed below are the **ELECTIVES** which are available to complete your schedule for the coming school year. Additional information is provided to indicate which courses fulfill either a **CORE CLASS** requirement or a **FOCUS AREA** requirement. Please rank your choices in the order of your preference for the classes, beginning with “1” for the elective you most prefer, “2” for your next choice, and so on. You should choose a **MINIMUM** of 3 classes to insure that the class or classes we use to complete your schedule are classes which you have chosen.
