

Dear Parents,

In social studies, we are studying about being a good citizen. We have talked about non-profit groups in Dickson. The students voted and wanted to help the Humane Shelter. We are collecting items for the shelter this week. Those items include: dog and cat food, paper towels, bleach, cat litter, dog and cat toys, and of course cash/check donations for the shelter. Please send these items in by Friday.

Thank you for helping us with our learning project in helping us to be better citizens in our community.

Thank you,  
Suzanne Downing
