Character Counts Emphasis: Responsibility

## 7:45

7:45 is your new normal!!! It is the best time for your child to arrive at school. When your child arrives by 7:45, he/she comes in just as morning assembly is beginning. We don't want your child to miss his/her birthday song or the opportunity to be a W.O.W.W. reader or celebrate AR points. I open the doors each morning at 7:10. Remember, we are trying to have a whole block with 0 tardies so we can celebrate on December 16<sup>th</sup>!! Last week was AN AWESOME WEEK! Let's keep up the good work! ☺

*YOU CAN DO IT!* 

In today's P.L.A.N. you will find information about our fun run. This fund raising activity combines physical activity with character counts traits. We will hold our fun run on November 17<sup>th</sup>. The theme is an Epic Adventure with the letters in Epic standing for Encourage, Play, Invite, and Celebrate.

When dropping your child in the morning, please know that I have the door covered!! Please do not watch the door as you pull ahead- there may be a child walking in front of your car!

Our Purity milk drive was a success thanks to your hard work and the work of our nurse, Lori Gorzny. We will anxiously await the results of this National contest. Our little school sure did drink a lot of milk! ☺
