Character Counts Emphasis: Respect

# 7:45

What's so important about 7:45? It is the best time for your child to arrive at school. When your child arrives by 7:45, he/she comes in just as morning assembly is beginning. We don't want your child to miss his/her birthday song or the opportunity to be a W.O.W.W. reader. I open the doors each morning at 7:10. Remember, we are trying to have a whole block with 0 tardies so we can celebrate on December 16<sup>th</sup>!! Last week was your "getting back into the swing of things" week. Now it's time to get down to business and reach this goal! ☺ ***YOU CAN DO IT!***

Friday, October 28<sup>th</sup> is dress down day for October birthdays.

In the coming weeks you are going to receive information about our fun run. This fund raising activity combines physical activity with character counts traits. We will hold our fun run on November 17<sup>th</sup>.

Please remember our traffic flow goes one way. When you enter the parking lot and try to go against the flow of traffic, you are endangering all of our students.
