Character Counts Emphasis: Trustworthiness

Welcome back to another great year of school! This is The Discovery School's 13th year as a part of the Dickson County School System. Within our walls, our faculty and staff have 284 years of combined experience! We are ready and equipped to give your child a successful year. Thank you for trusting us with the education of your child!

You received all types of information at parent orientation. Please take the time to read over everything carefully.

Each Monday, your child will bring home a P.L.A.N.– Program for Learning and Nurturing. The P.L.A.N. will be a valuable source of communication with the school. In the P.L.A.N. you will receive all kinds of information from your classroom teacher. Each week you will also find a Bogdan Bulletin. If you will read *everything* in the P.L.A.N., you will know *everything* going on at The Discovery School.

If you ever have questions or concerns about anything, you may reach me at 441-4163. My home number is 446-9874. My door is always open. This year I also invite you to come by on the third Thursday of each month for "Koffee with the Big Kahuna". I will be in the conference room from 8-9 ready to sit down and hear any questions or concerns you might have.

I found this on a website this summer and wanted to share it with you.

The 8 "L's" of parenting–

1. Love your child.
2. Look for the good in your child.
3. Listen, without judgement, to your child.
4. Laugh with your child.
5. Labor diligently and with pride so that your child will want to work hard and do his/her best.
6. Learn new information– constantly. Challenge yourself.
7. Leave the television and other media off.
8. Live life to its fullest.

Great advice for all of us!!

We are looking forward to a wonderful year!
